U. S. BACKS LOCAL PORT ENTERPRISE

Locality Worthy of Development, Is Statement

REPORT MADE

Offer of Federal Aid Subject to Cost Sharing

Additional evidence that the federal government regards Redwood City's deep water port project as feasible was shown today in a report issued by Lieut-Col. Thomas M. Robins, division engineer for the war department, whose office is in San Francisco.

The report shows that the proposition for improvement of Redwood creek has been submitted to Washington, and that it "finds that the locality is worthy of further improvement by the United States to the extent of providing a ship channel 27 feet deep, at mean lower low water, and 200 feet wide from deep water in San Francisco bay to the junction of Redwood creek and West Point slough."

Also endorsed is a turning basin at the inner end of the ship channel 27 feet deep and about 1800 feet long and 700 feet wide.

The estimated cost is $188,000 for new work and $10,000 per annum for maintenance, subject to the provision that local interests will contribute the sum of $94,000, half of the estimated first cost of dredging; will furnish necessary rights of way and suitable areas for disposal of dredged material; and will furnish assurances satisfactory to the secretary of war that by the date of completion of the ship channel and turning basin, they will provide a wharf at least 450 feet in length and open to the public, all in accordance with plans to be approved by the secretary of war and the chief of engineers.

The next step in the deep water harbor project is, it is believed, creation of a port district, which would include all of San Mateo county, or less.

ACCIDENT FATAL TO MAN HERE

Struck down while attempting to cross the highway here Saturday night, Carroll F. Findlay, 36, of 11 Walnut avenue, Atherton, incurred fatal injuries which caused his death in the Community Hospital several hours later. Findlay was a disabled veteran of the World War.

The car was driven by George W. Nickel, wealthy Los Altos sportsman and insurance broker.

Nickel, proceeding north, did not see Findlay, who was crossing El Camino Real between Charter and Willow streets, until a moment before the mishap. The motorist swerved, but too late. The hour was 7:50.

Officer Clyde H. Genochio of the Redwood City Police Department investigated the accident.

Findlay had been living in Atherton for the past four months, coming to that city from San Jose, where he lived for four years. Before removing to San Jose, he had resided in the North Fair Oaks district. He was a native of Island Pond, Vt., and was a World War veteran and a member of San Jose chapter No. 11, Disabled American Veterans of the World War. He was a salesman by trade.

He is survived by his widow, Mrs. Jessie Findlay; a son, Hugh G. Findlay; three daughters, Pauline, Lorraine and Verna Findley; a brother, Everett R. Findlay of San Jose; and his parents, Mr. and Mrs. Adam F. Findlay, both residing in Vermont.

MRS. ANNIE MANTZ ILL IN HOSPITAL

Mrs. Annie Mantz of Redwood Cty is ill in St. Luke's Hospital, San Francisco, where she has been for some time.

Report Shows Soundness of Local Banks

Exceptionally high ratios of reserves to deposits and circulation are revealed by the December 31 statements of conditions published Monday by the San Mateo County Bank and the First National Bank. By combining the figures of the institutions, both of which are under identical management, reserves total $1,743,238 and equal approximately 65% of the combined deposits and circulation of $2,668,323.

The total deposit figure is only .02 per cent below the vombined deposits of a year ago. This is an excellent record for a year of decreased general business activity.

Viewing the banks separately, the First National Bank shows deposits of $1,258,751; reserves total $1,293,024 and consist of: Cash, $361,505; United States bonds, $443,908; municipal bonds $240,507; and other bonds, $247,102. The First National's deposits a year ago were $1,242,202, $16,549 less than present figures.

Surplus and undivided profits total $172,028. This represents the amount created by stockholders as additional security to depositors.

The San Mateo County Bank which has the larger proportion of savings deposited of the two banks showed total deposits of $1,209,572, of which $1,115,279 were represented by savings accounts.

The statement shows reserves of $450,213, consisting of cash $225,846, United States bonds, $105,415, municipal bonds, $41,699, and other bonds and securities, $67,252.

Surplus and undivided profits total $89,601. The bank's paid up capital is $100,000.

The combined capital of the two banks equals $300,000, and surplus and undivided profits come to $261,629 for both institutions.

Neither bank has borrowed money nor exercised the rediscount privilege at the Federal Reserve of which they are members.

$4000 Voted By Co. Board On Relief Job

Four thousand dollars for the clearing of rights of way on the Memorial Park road from the west boundary of the park to Steel's ranch had been voted today by the board of supervisors.

This is one of three relief projects approved by the county.

The others include $600 for completion of a running track at the South San Francisco High School, and $800 for the clearing of sewers and gutters in the Bayshore district.

Malconduct In Bayshore Vote Count Alleged

Seats of the four successful candidates for council of the new town of Bayshore were contested by five unsuccessful candidates in suits filed with County Clerk Elmore B. Hinman today. The election board is asserted to have failed to properly count and credit the votes cast at the special incorporation election held December 20.

Contestants are Philip Gain, who polled 70 votes; Lee F. Garrick, 69 votes; A. R. Herrmann, 75 votes; John P. Larson, 75 votes, and John A. Sheppard, 69 votes.

Defendants are Joseph Franzen, 120 votes; Ernest Durbin, 94 votes; Robert Hatch, 94 votes, and Herbert A. Ford, 82 votes.

There were 19 candidates in the field, and but four won outright places on the board. Larson and Herrmann tied for fifth place, and are among the contestants charging improper conduct to the election board.

JUVENILES TO BE KEPT IN OLD JAIL

Supervisors Abandon Frame House Now Used As Home

BRANDED 'TRAP'

Jury Committeemen, Chief Ryan Letter Get Results

Branded as a firetrap by Fire Chief Mark Ryan of Redwood City and by a committee of the San Mateo County Grand Jury, the juvenile detention home in Redwood City was ordered abandoned Monday by the board of supervisors in favor of the old county jail on the Broadway extension at Walnut and Maple streets.

The board voted $3,000 to make alterations at the old jail house so that it will be suitable for a home for juvenile delinquents.

The building is of brick construction, contrasted with the wooden frame structure adjoining the new jail and across from the courthouse on the southwest corner of Middlefield road and Marshall street, which is the present juvenile detention home.

Scott Heads Committee

Headed by District Attorney Edmund Scott, the grand jury committee appeared before the board to request immediate action on the closing down of the present home before a serious fire occurs and kills several of the inmates.

Scott was accompanied by Ray Gallagher of Burlingame, and Henry Witte of Redwood City, both members of the grand jury, who were appointed with the district attorney to present the matter to the board.

The district attorney advised the board that if some action were not immediately taken, a conflagration such as swept the Vallejo Elks lodge, or the Macbeth apartments in San Francisco, might occur, and there would be serious loss of life.

Ryan's Letter

Ryan, in his letter to the board, said:

"I respectfully call your attention to the building known as the Juvenile Home, on the corner of Middlefield road and Marshall street, adjoining the jail.

"This building is a fire hazard and unfit for the purpose for which it is used—the housing of juvenile delinquents. On inspection, I find there are at least three rooms used as cells with windows barred, doors padlocked, and with access from the outside only.

"If a fire should occur, there would more than likely be a loss of life.

"This building should be condemned."

Scott, besides pointing out the fire hazard, said the location of the juvenile home within a few feet of the county jail was a bad influence to young minds.

Board Acts Quickly

With Supervisor John W. Poole of Redwood City acting as chairman in the absence of Chairman Manuel Francis, who is ill, the board, upon motion of Supervisor Rosalie Brown, seconded by Supervisor Albert J. Witt, Colma, took immediate steps to avert any tragedy by ordering the old jail prepared as the new juvenile home.

Emergency Water Rates Continued

The railroad commission has authorized the Emerald Lake Water Company, operating at Emerald Lake to continue the emergency rates now in force up to June 30, 1934.

Hearings in the matter developed that the emergency rates authorized by the commission failed to meet operating expenses. In addition to the regular operating expenses there were certain other operating costs incurred for emergency labor, material and repairs as a result of the severe damage caused by the recent freezing of mains during the month of December.

Traffic Captaincy Awarded To Acting Captain Perussina

Paul Perussina, acting captain of the San Mateo County Traffic Patrol since November 15, today assumed the full captaincy on receiving the appointment from E. Raymond Cato, chief of the California Highway Patrol.

The captaincy star, No. 112, and the two gold stripes for the shoulder, were received today by Perussina.

The new captain has been a member of the squad for the past four years, and succeeds Capt. James B. Logan of Menlo Park, who is to be transferred to another county. Captain Perussina makes his home at 614 Pine terrace, South San Francisco.

Menlo Park

James Wood, the noted horseman, returned from Caliente yesterday where he attended the races. Mr. Wood is one of the best known horse lovers in the state. At one time he was the owner of a string of horses that made records on the turf.

Menlo Post, American Legion, will give a card party in the American Legion Hall on February 27. Valuable prizes are to be awarded the winners.

Isabelle Lindquist, chairman of the rehabilitation of American Legion Auxiliary unit, Menlo Park, will have charge of the monthly sings at the Veterans' Hospital. These sings are given for the patients in ward seven, who are unable to leave the hospital and music is a part of their treatment. The Menlo unit turn out in large numbers on these occasions. The boys are served with candy, cigars and delicacies.

Monday Mayor Weeden made a hurried trip to Monterey to give an estimate on a large building to be erected in that city.

The recently elected officers of the Native Daughters of the local parlor are preparing for their installation that will take place shortly.

Mrs. Martha Suckland is spending a few days with her friends, Mrs. Carl Lindquiet and Mrs. Cora Parker. Mrs. Suckland will depart soon for her home in Chicago. She came to Los Angeles recently to be at the bedside of her brother, who was very ill.

The Boy Scouts are preparing for a card party to be held at the auditorium of the grammar school on Friday, February 3.

Garments will be made for needy families by Trinity Guild according to a decision reached by the guild Monday afternoon at its regular meeting in the parish house of Trinity Episcopal Church. The members will meet next Monday in the same place to plan the work, materials for which will be provided by the Red Cross.

Mrs. Carroll A. Devol met with the guild Monday to present the great need for warm clothing. Hostesses were Mrs. Henry Agard and Mrs. Ross Cox.

Alexander Beltramo and his pretty bride arrived from sunny Italy during the week and are being greeted by their friends. The young couple passed their honeymoon in the land of Mussolini.

Mr. and Mrs. Evan Williams of Menlo Park have taken an apartment at the Hotel Mark Hopkins, where they plan to be for the next three or four months.

To honor the memory of Charles Holbrook, pioneer San Francisco merchant and lover of the out of doors, a splendid grove of redwoods in Humboldt county has been preserved as part of the California State Park system by his daughter, Mrs. Silas H. Palmer (Olive Holbrook). Approximately one-half the total purchase price of the grove was contributed by Mrs. Palmer, the state matching the sum with funds from the state park bond issue.

The grove, to be known as the Charles Holbrook Redwood Grove, lies about 219 miles north of San Francisco, or four miles north of Garberville, with approximately one and a half miles of frontage along the Redwood highway and the south fork of the Eel river. The tract contains 297 acres in all, comprising a fine stand of Redwoods and open meadow lands along the south fork of the Eel river.

In the seventies, Charles M. Holbrook established a home at Atherton which he maintained up until the time of his death several years ago. He had two daughters, Mrs. Palmer and Mrs. Samuel Knight, and a son, who died some years ago. Mr. Holbrook organized the firm of Holbrook, Merrill and Stetson, at one time the largest hardware concern on the coast.

The last rites of Anna J. Brown took place at the Church of the Nativity yesterday morning when a requiem mass was celebrated attended by a large number of relatives and friends. Mrs. Brown passed away at the Community Hospital last Monday following a brief illness. She was the wife of J. C. Brown and mother of George J. and Raymond Brown. The deceased was highly respected by those who knew her. Her good deeds were many and numerous were her gifts to the needy.

Sunday morning last Rev. W. L. Bone united in marriage Judge Maxwell McNutt and Mrs. Ella Cook Dunn of San Mateo in the Presbyterian church. Only a few friends were present. It was, indeed, fitting that the ceremony should take place in the little edifice, so dear to the heart of the judge. In the seventies the church was erected by Judge Coon, grandfather of Mr. McNutt. Many times when the regular pastor failed to appear the old judge would take the pulpit and deliver an eloquent sermon. His beautiful daughter, the mother of San Mateo's popular judge, presided at the piano, and with others, rendered a program of hymns.

Judge Coon was mayor of San Francisco in 1868. Some years afterwards he came to this community buying over 300 acres of land near Coon's bridge on the Portola road. As a boy Judge McNutt spent much of his time on his grandfather's estate. There was a large pool in the San Francisquito creek a mile from the Coon place and there the boys of that time revelled in warm water of the pond. Among the boys were McNutt, Judge Kerrigan, O'Keefe brothers, George Russell, Dan Mullen and many others who have become prominent in the professional and business affairs of the state. It is little wonder that the ceremony should be held in the church where sentiment and romance mingle so fully.

Mrs. Gertrude Morgan, the efficient chief deputy in the assessor's office, will depart today, accompanied by her sister, for Honolulu for a brief trip. Mrs. Morgan certainly has earned this short respite from her arduous duties required of her in the assessor's office. D. P. Flynn has a good worker in Mrs. Morgan. Mr. Flynn is one of the best and most capable assessors in the state.

Miss Charlotte Grill, the pretty young daughter of Mr. and Mrs. F. B. Grill, has entered St. Mary's Hospital, San Francisco, to begin her career as a professional nurse. Miss Grill is a graduate of Sequoia Union High School. She is clever and no doubt will become a success in her chosen profession.

Jay T Cooper has sold his property on Glenwood avenue to L. C. Howen of Redwood City. One of the dwellings was the old Dr. Stollard home, one of the imposing dwellings of this community twenty-five years ago. Mr. and Mrs. Cooper will continue to live in Redwood City.

Annual meeting of St. Joseph's Alumni Association was held Sunday afternoon. A large number of the members were present to enjoy the occasion. James T. O'Keefe Jr., gave an illustrated lecture on his trip to Europe last Summer that was interesting and enjoyed by all present. Mother Foley, superintendent of the school, mingled with her "children" as she calls them, enjoying the reunion with her former students, and in a short address paid a tribute to their success. Addresses were also made by Father Kennedy and Father Burke, who spoke of the success of St. Joseph's and the headway made by its former students. The speakers also praised the good work of Mother Foley in training her pupils to be good citizens of the community. President Thomas Kearney in retiring was presented with a gift as a token for his splendid work during his term. He responded showing much emotion in his remarks. Mother Foley was presented with a set of valuable curtains for the school. Each of the teachers of the school was given a remembrance. Before refreshments were indulged in the following of-

Allegations In Will Suit Bring Denial

In a general denial of allegations, Mrs. Maria T. Carroll, widow of Bernard C. Carroll, telephone official, today has on file an answer to the will contest brought by H. P. Wood and Frances W. Rodgers, half-brother and sister of the dead official.

The contestants attacked Carroll's will, which named the wife as executrix, on the ground that he was influenced to favor her. Mrs. Carroll denied this and asked that the will be admitted to probate. The estate is valued at "more than $10,000."

Cloud In Protest To Tax Changes

Taking direct and vigorous issue with Gov. James Rolph and Senator Arthur H. Breed of Alameda in their proposals for tax reduction at the expense of the public schools, and charging that the proposals initiated in the state legislature by the governor and by Senator Breed were designed to further the interests of the public utility corporations, Roy W. Cloud, Redwood City, state executive secretary of the California Teachers Association, today declared that the success of the Rolph-Breed proposals would not only free the utility corporations of their just share of taxes for school support but would throw that additional tax burden back on the already overly burdened tax payers of the counties of the state.

Judge McNutt Grants First Divorce Paper

THRIFT WEEK

January 17 to 23, 1933

Is the annual observance of the birthday of Benjamin Franklin, born January 17, 1706. Benjamin Franklin ranks as one of America's greatest men. He was eminent as a scholar, diplomat, scientist, inventor, editor, publisher. It is said that Philadelphia was made rich by his preachments of thrift, so great was their influence.

"Little strokes fell great oaks."
"Plough deep while sluggards sleep."
"The sleeping fox catches no poultry."

they are applicable today as they were 150 years ago.

County Board To Meet At 2 Instead of 10

That perplexing problem of finding a meeting hall for the board of supervisors on Mondays found a simple solution on Saturday after a conference between the board and Superior Judge Franklin Swart.

Instead of meeting Mondays at 10 a. m., the board changed the hour to 2 p. m., when Judge Swart's courtroom will be free for the use of the supervisors.

Changing of the probate day from Thursdays to Mondays, which becomes effective Monday, January 16, caused the supervisors to be without a meeting place on Monday mornings.

Since no other space in the courthouse is large enough for the board to hold its meetings, the afternoon hour was determined upon.

La Honda Road Work Criticised By Contractors

Calling attention to several instances of asserted failures to comply with the rigid specifications for the improvement of the La Honda road, letters asking a series of pointed questions were received by Chairman Manuel Francis of the board of supervisors and others in Redwood City Monday.

The original letter, and copies to Supervisor John W. Poole of Redwood City, in whose district the project is located; to Charles W. King, chairman of the roads committee of the county grand jury, and to Surveyor James S. James, were sent out by Floyd O. Booe, secretary-manager of the Northern California chapter of the Associated General Contractors of America Inc., San Francisco.

Meyer Rosenberg, San Francisco contractor, who won the job on his bid of $27,030, $14,000 lower than the third lowest bidder, is alleged to have ignored the rigid specifications in carrying out the project.

The contract, except surfacing, has otherwise been completed.

James, when interviewed, said that the specifications have been met and that he was ready to answer the questions if put to him by the grand jury, supervisors or any party authorized to secure his replies, but that he would not recognize Booe's letter as it comes from a private association of contractors.

Whist Party Friday

For a number of years the Wild Rose Girl Scout troop has been one of the community's most interesting projects and Friday evening of this week the members of the troop committee are sponsoring a whist party to support the activities of this group of local girls. Early in the fall the Woodside troop was reorganized and now includes members from the Portola school as well as Woodside, with Mrs. Wells Pleas as leader and Mrs. Willis Paterson assisting. There is also a Brownie troop under the leadership of Miss Anne Duzanica and Mrs. J. D. Gish. The troops and their respective leaders are sponsored by a group of local women known as the Woodside Girl Scout Troop committee with Mrs. J. V. Neuman as chairman.

Friday evening's affair promises to be one of community social interest as well as helping toward a worthy fund. Tickets are on sale for 35 cents, including refreshments, and playing will begin at 8 p. m. at the Woodside school auditorium.

A social dance will be given at the Woodside Hall Saturday evening under the auspices of the Gloom Chasers orchestra of Redwood City. Frederick Blackington, in charge of event, announces that admission for ladies will be 25 cents and gentlemen 40 cents.

Dropping of all business license fees was advocated by City Councilman W. E. Dale, Menlo Park grocer, Monday night, at the city council meeting.

Dale declared that business men were being doubly penalized in being forced to pay a license to operate and a tax on their properties.

Mayor W. H. Weeden replied that the city could not operate if it lost the $4000 income from this source.

In retort, Dale said this expense should be borne over the entire city and not by a small group of business men.

Joseph Pittman, proprietor of a highway barbecue stand, added his words to the discussion, protesting at the same time the speeding of traffic past his place of business.

"If I pay a license, I want protection," Pittman said.

Strong protest is expected to be waged against the continuance of the fee system at the next meeting, with Dale taking the lead in the fight for abolishment.
